# EUREKA Clusters AI Call

## Information for Singapore companies

Navjeev Singh  
Development Partner, Global Innovation Network Division

## The aim is to promote joint innovation projects in the AI domain between Singaporean and overseas companies

- Through this new initiative, Singapore companies can receive support in the facilitation of and funding for joint innovation projects in the AI domain with entities from 15 EUREKA countries. The 15 partner countries are **Austria, Belgium, Canada, Denmark, Finland, Germany, Hungary, Luxembourg, Malta, Netherlands, Portugal, Spain, Sweden, South Korea and Turkey**. As Singapore is participating as a Third Country, Singapore companies will need at least 2 partners from the 15 countries to participate in this call.
- The call will be open from 1 April to 15 June 2020, with funding decisions to be made by January 2021. The full details about the call can be found at <https://eureka-clusters-ai.eu>.

# Application Journey for Singapore Companies

## STEP 1

Find the right partners through various sources:

- Speak to ESG Representative
  - ESG will send company profile to relevant agencies/TACs
  - Eg. SGTech AI & HPC Chapter
- EUREKA Online Brokerage Tool
- IPI Tech Matching Platform

## STEP 2

Preliminary Evaluation

- Initiate early consultation with ESG Representative & EUREKA Cluster Office
- Eligibility Check:
  - (i) Business registered and present in Singapore;
  - (ii)  $\geq 30\%$  local equity held directly or indirectly by Singaporean(s) / Singapore PR(s);
  - (iii) Be financially able to see a project through completion; and
  - (iv) Any other criteria as described in the [Enterprise Development Grant page](#)

## STEP 3

Submit common proposal on EUREKA submission portal, and the relevant national funding application by 15 June 2020

- SG Companies:  
Submit [EDG application](#) to Enterprise Singapore, through Business Grant Portal
- Decision for funding to be given by January 2021
- Funding is up to 70% of project qualifying costs\*
